

## KULACUBE

Your all-in-one School Management Platform

### ABOUT US

Automating, Digitising and reducing paper wastage (saving the trees) one school at a time.

Kulacube provides a digital platform for all stakeholders to be actively involved in the mental development of the future leaders.

1. School Admin  
Create a school, manage the daily operations (automated staff performance review, payment of salary, e.t.c) of your school at the tap of a button.
2. Teacher  
Create & Share notes, create & mark assignments, create continuous assessment, student performance review.
3. Parent  
Be up to speed with ward grades, work closely with ward teachers to help improve student performance.
4. Student  
View & submit assignment, keep track of individual performance during the school year.
